HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) what are the names and addresses of the recognised non-aided publi$_c$ schools in Delhi;

(b) whether the Central Government/Delhi Administration are having any control in the nomination of their Managing Committees; and

(c) what are the administrative and technical difficulties Government are having for not taking over the management of such schools?

THE MINISTER OF STATE IN THE DEPARTMENTS OF EDUCATION AND CULTURE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMAfi KRISHNA SAHI): (a) A Statement is attached. [See Appendix CXLII, Annexure No. 89].

(b) Yes, Sir.

(c) The Administrator under tho Delhi School Education Act can tak* over the management of the recognised schools, except minority institutions, under sub-section (1) of Section 20 of the Delhi School Education Act, 1973 in situations mentioned in the Act, after giving reasonable opportunity of showing cause to the Managing Committee of the school.

Withdrawal of Oxyphenbutazone and Phenylbutazone

1817. SHRI R. T. GOPALAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to refer to the answer t_0 Unstarred Question 2969 given in the Rajya Sabha on 3rd December, 1966 and state:

(a) whether it is a fact that Swis>'» Company who originated Oxyphenbutazone and Phenylbutazone withdrew these drugs not only from their own country but throughout the world due t_0 dangerous effects of these drugs; and

(b) if so, what wera the basis on which the expert$_s$ opined for continuity of use of these diugs in India al.,r.'g with the names of experts and details of opinion $_0$f ^{e}ach expert?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT AND THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI P. V. NARASIMHARAO): (a) Information available with the Government reveals that while other companies have continued to market their brands of Oxyphenbutazone and Phenylbutazone in restricted condition of ankylosing spondylitis and gouty arthritis in man$_v$ countries, M/s. Ciba-Geigy, a Swiss Company, nad decided voluntarily to discontinue their brands of Oxyphenbyta-zone from various countries they had been marketing and (restndt the marketing of Phenylbutazone for ankylosing spondylitis and gouty arthritis only.

(b) The expert bodies, namely, Indian Council of Medical Research, Indian Medical Association and Indian Rheumatism Association consulted on the subject o£ continued marketing of exyphenbutazone and Phenylbutazone had opined that there is no case of total withdrawal of these drugs from the Indian market ard these drugs are considered drugs of choice for ankylosing spondylitis and gouty arthritis, for which they recommended continued marketing.
